ChromaLuxe Metal Prints

Offer clarity with the most vibrant, longest lasting print medium on the market with ChromaLuxe Metal Prints! ChromaLuxe Metal Prints are created by infusing dyes directly into specially coated sheets of aluminum that allow images to pop with vibrant color and crisp detail.

Metal Prints are available in a variety of stocked sizes from 2"x3" up to 40"x60".

Stock Metal Prints are .045 mm thick aluminum with a .125" corner radius.

Available in four finishes

Gloss and Matte White – for a true to color appearance.

Gloss and Matte Clear – for a brushed aluminum appearance.

Table Top Photo Panels

ChromaLuxe wood table top panels are stylish alternatives for displaying photos. Images are infused into .25" thick wood photo panels with a gloss white finish, black back and black edge. Panels have either pre-attached easels or brass hinges.

Creative Borders Desktop Photo Panels

Table top panels are also available in 4 unique Creative Border designs. Finished with a black back and edge, images are infused into .125" Gloss White wood photo panels, which also come with a black aluminum easel for easy display.

ChromaLuxe Wood Photo Panels

ChromaLuxe Wood photo panels have a black 5/8" thick finished edge that is ready to hang without framing. Wooden photo panels are available in a variety of sizes in Gloss White.

ChromaLuxe Creative Borders

Offer customers vivid image reproductions on stylish metal print shapes! Creative Border metal prints are a great addition to any product line that will transform photos into their own piece of art. Use images alone or create a digital border to match any home décor. Free designs can be downloaded at www.unisubgraphics.com.

Each shape is available in three different sizes.
